Career Objective:

Aspiring Full Stack Developer and enthusiastic MCA student with expertise in Java, ReactJS, SQL, and problem-solving. With hands-on experience as a Software Engineer Intern, I am passionate about developing scalable applications and eager to contribute effectively to innovative software projects in a dynamic work environment.

Experience:

Software Engineer Intern | Zelis Healthcare India | May 2023 – Feb 2024

- Contributed to the development and optimization of healthcare solutions.
- Gained hands-on experience in development, troubleshooting, and system optimization.

Key Achievements:

- Successfully developed and deployed two web applications from scratch, enhancing user experience through intuitive design and functionality.
- Contributed to the development and optimization of healthcare solutions during my internship at Zelis Healthcare India.

Technical Skills:

Programming Languages:

Core Java:

- Active knowledge of static and non-static methods.
- Proficient in OOPs concepts, Data structures and Algorithms, Loops, Conditional statements, Arrays, Strings and Exception handling.

JavaScript:

- Proficient in ES6+ syntax, Functions, Closures, and Higher-Order Functions.
- Sound knowledge on Data Types, Variables, and Scope.
- Hands-on experience with Event Loop, Asynchronous Programming (Promises, async/await).

Web Development:

- **Front-End:** HTML, CSS, JavaScript, ReactJS
- **Server-Side:** Node.js
- **API Integration:** Familiar with using external APIs for fetching and displaying data.
- **Version Control:** Proficient with Git and GitHub.

Database Management: MySQL

- Proficient in SQL queries (DQL, DDL, TCL, DCL), joins, subqueries, and normalization.

Tools: Git, GitHub, Visual Studio Code, PowerShell, MySQL.

Certifications:

- Full Stack Java Development – Jspiders Java Development Centre
- PowerShell – LinkedIn Learning
- Git and GitHub – LinkedIn Learning
- Java Object-Oriented Programming – LinkedIn Learning

Education:

- **Master of Computer Applications (MCA)** | Osmania University | Ongoing
- **B.Sc. in MPCS (Math's, Physics, Computer Science)** | Sairam Degree College (Satavahana University) | 2022
- **Intermediate (MPC)** | Master's Junior College | 2019
- **SSC** | ZPHS High School | 2016

Projects:

Rock, Paper, Scissors Game (Web & Mobile App)

Tech Stack: HTML, CSS, JavaScript, Git, GitHub, Apache Cordova

- Built an interactive game with JavaScript for game logic and event handling.
- Developed a responsive UI and deployed the web app on GitHub Pages.
- Converted the project into a mobile app using Apache Cordova.
- Project Link: [Rock, Paper, Scissors Game](#)

Currency Converter

Tech Stack: HTML, CSS, JavaScript, Currency Converter API, Flag API

- Designed a currency converter with a responsive layout for various screen sizes.
- Integrated external APIs to fetch exchange rates and display country flags.
- Project Link: [Currency Converter](#)

Hobbies

- Listening to music
- Playing chess
- Cricket

Declaration:

I hereby declare that the above furnished details are true up to my knowledge.

Place: Hyderabad
